NEW SITE. NEW BUILDING. NEW MEMORIES.

BOYS & GIRLS CLUB
OF LAKE TAHOE

MISSION TO EMPOWER ALL YOUNG PEOPLE TO REACH THEIR FULL POTENTIAL

VISION To be the place in our community where all young people are welcome. To have all of our members advance each grade level on time and prepared for the next school year. To be a second home for our members where they get to participate in programs and have experiences that they might not otherwise have had.

2022 was a year for the Club's history books. Not only did we realize a thirty year dream with a home of our own in the Angel of Tahoe building, but we also opened a new after-school site at the Magnet School in Meyers, our first new site in over 20 years, ensuring that despite the changes to school bussing, the Magnet students still had access to an after-school program. Something we are extremely proud of. Thanks to a partnership with LTUSD, we can now provide Club memberships for FREE to low-income, homeless and foster care youth. Also, we offer discounted rates dependent on income, making a significant difference to families in these expensive times.

Perhaps in part due to the new building, or mainly because of the change in school hours, the Club also saw a huge increase in demand for our services in 2022. The administrative team is currently investigating ways in which we can serve more children in 2023, while recognizing that finding staff for part-time positions is difficult in this economy.

For the over 500 children that we did serve in 2022, we are proud of the quality and range of programs, education, opportunities, experiences and FUN that we were able to provide. Personal highlights were the first day of the new building, the summer party, watching TK members code in the STEM room, and reading thank you letters from the 35 high school students that we arranged holiday gifts for. But there have been many many more small and large moments in the year that highlight the important impact that the Club has on a daily basis for our members and families.

I thank all of you who have supported and contributed to the Club to help us get to where we are today. You are AWESOME!

JUDE WOOD

AIR PURIFIER The iWave Air Purifier provides a clean, filtered air environment for Club members to learn and play. It keeps Club doors open and programs running.

AIR CONDITIONING As summer days become warmer and warmer, we can provide a comfortable indoor space for the children and staff. Our garage door at the back of the building provides fresh air on milder days, saving energy and reducing utility costs.

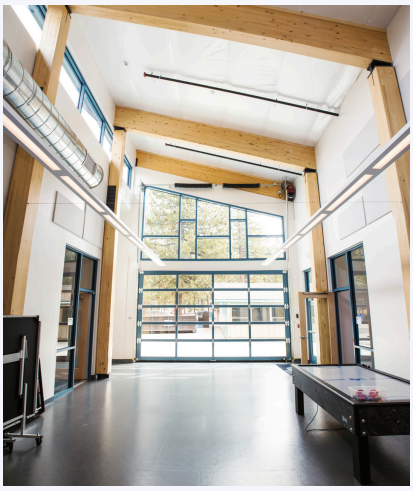

LANDSCAPING Our beautifully landscaped facility shows the pride the Club has in facilities. It is fire safe with defensible space around the building and drought tolerant landscaping.

SANITATION We continue to follow protocols implemented at the height of the pandemic to ensure a clean and healthy environment for the children and staff.

ENERGY The building is equipped with energy efficient LED lighting and an automatic dimming feature that reduces electricity usage and takes advantage of the natural light.

LUIS MUÑOZ
FACILITIES MANAGER

"I love the new building because I feel SPECIAL when I walk in."
-Melanie, 3rd Grade

"I like how the new building has multiple classrooms for us and we can go everywhere. There is always something new to do. I love going into the STEM Room with Mr. David."
-Liam, 1st Grade

PROGRAMS AND ACTIVITIES

With the expansion of the Club, we are elevating our programming and making a greater impact on more children in the community. It has been exciting to watch new sites open and partnerships grow. As Program Director, the most impactful moments have been when I see the kids gaining new life skills with the programs offered.

-ALI MESSINA, PROGRAM DIRECTOR

5 CORE PROGRAM AREAS

HEALTH & LIFE SKILLS

Skills Mastery and Resilience Training SMART moves

This training teaches members how to make educated and healthy choices. They learn to discuss their emotions and use their voice.

SPORTS & RECREATION

TRIPLE PLAY
a game plan for the mind, body and soul

Members learn about sportsmanship and social connections. They build skills, attitudes, knowledge, and behaviors essential for their every day lives.

THE ARTS

Members explore their creative talents by doing seasonal art projects throughout the year.

Find more info about our new Art room on page 5.

EDUCATION & CAREER DEVELOPMENT

Power Hour allows members to achieve academic success by providing homework help, tutoring, and evidence-based learning activities and encouraging members to become self-directed learners.

See on page 5 how our Tahoe STEM Academy partnership also aids in this program area.

PowerHour :making minutes count

> "My daughter was and has always been really shy and not very outgoing. I have seen a drastic change in her now. She always comes home with a positive thing to say about her day at Boys & Girls Club! I enjoy hearing how much fun she has and all the staff are super friendly, professional, and care about the kids!"
>
> - Club Parent

FUN FACT DID YOU KNOW? ALL OF OUR SITES PARTICIPATE IN THE 5 CORE PROGRAMS.

ONGOING PARTNERSHIPS

4-H | CalFresh HEALTHY LIVING

NUTRITION, MENTORSHIP & INDEPENDENCE

4th and 5th grade members learn about good nutrition and teach younger members how to make healthy snacks.

HEALTHY LIFESTYLE CHOICES

TASK Tahoe Alliance for Safe Kids

embarc

Theresa Papandrea delivers the Botvin curriculum to our 5th grade and teen members during the school year, teaching them the negative effects and consequences of using drugs and alcohol.

SCIENCE AROUND TAHOE

TAHOE INSTITUTE for Natural Science

Kindergarten and 1st grade members experience Bug Camp and explore critters around Tahoe during the summer. In the fall, members learn about ecological systems of the lake, leave no trace ethics, and how to make nature art.

PERFORMING ARTS

Members learn how to perform and do tricks at Circus Camp during the summer.

TP

CHARACTER & LEADERSHIP DEVELOPMENT

Members ready to gain leadership and team-building skills have the opportunity to join the **Junior Staff Program**. In this program, members volunteer for 50 hours and then qualify to apply for Junior Staff, a paid position. Junior Staff support the Teen Enterprise Program and are leaders and role models to younger members.

ART

The new art room was met with great enthusiasm. Members love to play with a variety of colors, shapes, and textures with the freedom and guidance to create.

All members enjoy the art room, but I find that members dealing with loss and trauma have found extra comfort here. They are able to talk and process their feelings visually in a quiet, safe, and private space.

BGCA- PACIFIC FINE ARTS

Local member, **BELLA STOWELL**, was the Boys & Girls Clubs of America - Pacific Fine Arts Regional winner in the 16 to 18 age group. She placed first in the Pastel/Charcoal category and Watercolor category (her winning pieces are pictured above).

STEM

Tahoe STEM Academy's partnership with the Club has given hundreds of children access to hands-on STEM projects, such as robotics, electronics, computer programming, and digital fabrication. We've offered programs and experiences that are the first of their kind to kids in our community, including competitive robotics. The competitive robotics program has also brought local high schoolers into the Club as members and empowered them to take on mentorship roles with younger members.

The STEM room offers all Club members opportunities to be creative, discover passions, and pursue their own ideas using high-end tools. Multiple members have expressed new interests in becoming an engineer or scientist and talked about how the STEM room is their "happy place."

DAVID WISE

CLUB KIDS TO CLUB LEADERS

EITHAN BRASHEARS

"It has been a joy to watch Eithan grow as a person and as a mentor. Eithan started as a Club member and when he was old enough, he stepped up as a Junior Volunteer. He then worked his way up from Junior Staff Member, to Program Aide, and most recently to Program Leader. Eithan has given back to the Club on many levels and is a Club celebrity to our members. It is bittersweet to see him move on from the Club, but we are excited for him and his next chapter in the U.S. military. We are proud of the confident, young man Eithan has become and wish him the best in this next endeavor."

-Ashley Hall, Club Director

CALI SCHAEFER

"Cali Schaefer has had an amazing journey at the Club and has been an inspiration to others. You can really see the impact the Club has had on Cali and the impact Cali has had on the Club. From Club member, to Junior Volunteer, to junior staff, to Program Aide, and now to Program Leader, I have watched Cali grow and blossom as a leader. Cali embodies the Club's AWESOME values and is an exemplary role model for current Club members and potential Club leaders."

-Ali Messina, Program Director

BLAST FROM THE PAST

THE EPITOME OF AWESOME.

NICOLE HUERTA - JUNIOR STAFF

Nicole has earned her year round spot as a junior staff member. She has made the Club a priority and showed positivity and growth. Nicole has worked at both the Angel of Tahoe and Bijou sites and will take the lead on training the teens on snack bar operations. She is appreciated for her hard work and is an inspiration to younger members.

PIPER ARNOLD - CLUB MEMBER TO FREESKI CHAMP

Long time Club member Piper Arnold has been busy traveling the world competing in Freeski events. Piper placed third in the halfpipe at the Junior World Championships held March 2022 in Leysin, Switzerland. In December, Piper was awarded the BGCA Hank Aaron Chasing the Dream Scholarship to pursue her skiing career. Most recently, she's traveled the U.S. competing in the World Cup, Futures and Rev Tour. She is now the top-ranked 15-year-old in the United States. Go Piper!

GAZE INTO THE FUTURE

2023 JUNIOR YOUTH OF THE YEAR

Coming up is our competition where Club members ages 10-13 have the opportunity to become the 2023 Junior Youth of the Year! Members step out of their comfort zone, share their Club stories, and have their voices heard. The application deadline is February 28 and the competition takes place at the Club on March 8. The winner will be announced at the Club's Bright Futures Award Ceremony in April.

MEET THE DEVELOPMENT TEAM

The Club was fortunate enough to welcome two new staff members to the development team in 2022. Aimi Xistra-Rich, Development Director, and Courtney Schmidt, Marketing and Communications Manager, have been working hard to increase Club communication and drive community support for local youth. Aimi has welcomed new donors to support the Club and done an outstanding job with fundraising and Club events. Courtney has brought to life the donor, parent, and staff newsletters, and her eye-catching designs have boosted parent understanding of Club operations and schedules. Please help us welcome these ladies to the Club team.

SENIOR TEAM

ASHLEY HALL
CLUB DIRECTOR

"Working at the Club is one of the highlights of my life. I am so grateful I am a part of such a safe, positive, and dynamic organization! 2022 was such an amazing year for us and it was also the start of a new era. I am excited for 2023 and all the wonderful things to come!"

AIMI XISTRA-RICH
DIRECTOR OF DEVELOPMENT

"I'm so thrilled to have joined the BGCLT team in 2022. What an AWESOME group of people. The passion and dedication to our Tahoe youth is contagious and the culture formed here is shaping the future for our kids. I'm proud to be here and I'm looking forward to what our team can do in 2023!"

MOLLY HUCKLEBRIDGE COOLIDGE
DIRECTOR OF ADMINISTRATION

"It has been a joy to be part of the Boys & Girls Club of Lake Tahoe as a volunteer and now as a staff member. The organization is filled with passionate, talented, and thoughtful individuals and I am excited to be part of the Club's brighter and bigger future."

ADMIN TEAM

NICO HUERTA
AREA DIRECTOR

"2022 was a great year. We had the opportunity to open another site at the Magnet School. It has given me the opportunity to meet new members, parents, and school staff, which is always AWESOME!"

ALI MESSINA
PROGRAM DIRECTOR

"2022 has been such an amazing year for us at Club. I feel so lucky to watch our members and Clubhouses grow as I continue my journey here at Club!"

COURTNEY SCHMIDT
MARKETING & COMMUNICATIONS MANAGER

"My highlight for 2022 was being introduced to this wonderful nonprofit through Leadership Lake Tahoe. I'm grateful to be a part of an organization that helps our local youth thrive."

CRISTINA RAMOS
MEMBERSHIP SERVICES MANAGER

"Seeing the joy when our members ran through the doors of our new building warmed my heart in 2022. A memorable moment this year was a member brought in their recently caught fish to show and tell."

LUIS MUÑOZ
FACILITIES MANAGER

"2022 was a great year for me! I joined the AWESOME Boys & Girls Club team as Facilities Manager. It's been an amazing opportunity to use my skills to benefit the Club and our community."

SAMANTHA TURLE
FRONT OFFICE COORDINATOR

"In 2022, I went from a Club parent to being a Club employee. It is amazing seeing firsthand what the Club is about and offers to the families in this community."

DAMARIS ECKHART
BIJOU SITE COORDINATOR

"2022 was a great year. I was promoted to Site Coordinator at the Bijou Site. This role gives me the opportunity to continue to work with children while learning how to become the best leader I can be by being responsible and dependable."

NIKKI DANIEL
MAGNET SITE COORDINATOR

"Growing was a major theme for me this year, I was able to grow in my position and it has been a joy to watch members experience growth as well. I hope to continue this trend as we embark on new experiences!"

KARLA TORO
ANGEL OF TAHOE SITE COORDINATOR

"In 2022, I was hired as a Program Leader and promoted as a Site Coordinator within a year. Seeing the grand opening of the new building and being a part of a united team has been amazing. I am looking forward to seeing the growth and impact we make on our members."

TRACINA LEFTEROFF
FOOD PROGRAM MANAGER

"In 2022 I officially became the Food Program Manager for the Boys & Girls Club. I have been part-time for the last several years. I'm excited to bring my culinary experience and share this passion with the children."

DONOR SPOTLIGHT

The Club would like to recognize US Bank's continuous support to our Club. US Bank graciously granted over $20,000 in 2022 alone. Over the past eight years, US Bank has contributed to Club fundraising events including the Golf Classic and the Tahoe Brewfest with monetary sponsorships and an annual grant to support our operations.

US Bank continues to support the Boys & Girls Club of Lake Tahoe with donations, sponsorships and volunteers. We're very thankful for the dedication to support local children and the Angel of Tahoe building.

TERRI ARNOLD

DISTRICT MANAGER AT US BANK

In January 2022, Terri Arnold stepped down as the Club President, a position that she held for the past 6 years.

During her tenure, Terri was instrumental in opening up discussions with the City about shared space in the new Recreation Center and later in discussions with Lisa Maloff and her Business Manager Ricky Reich about a building of our own.

Despite being incredibly busy with work and family, Terri has always been there to support the Club staff and step in to help when needed.

Thank you Terri for everything – you are AWESOME!

A MESSAGE FROM OUR BOARD PRESIDENT

Proud doesn't begin to describe my feelings about the Boys & Girls Club of Lake Tahoe. I'm proud to be the President of the Board of Directors. I'm extremely proud of our dedicated staff and our Executive Director Jude Wood whose dedication and devotion to opening this Clubhouse made it a reality. I'm proud of our Board of Directors who all made donations to fiscally support a new building. I'm proud of our community. Without you, we could not have raised $7 million to build a Clubhouse. I'm also very proud of our own Angel of Tahoe, Lisa Maloff who supported the Club for several years before she passed away. Her $3.5 million donation gave us the support we needed to get this project started and completed.

With the new building, we were able to include more members. To serve as many children as possible in our community has always been a goal of the Club. Partnering with Lake Tahoe Unified School District, we opened a third site at the Magnet School. Having an additional site allowed us to expand and add even more members.

A beautiful new building, additional sites in the community, a dedicated and passionate staff, engaging programs, supportive parents, and a giving community have made the Boys & Girls Club what it is today. Many things we can all be PROUD of.

KATHI JENSEN

TEAM AWESOME

Every organization has a mission statement. We decided to go a step further and create a set of values and principles that the staff and members adhere to at the Club.

In addition to sending a clear message of what the Club stands for and what we hope from our members, AWESOME is empowering. It's a daily affirmation of who our members are and who they will continue to be.

AWESOME STANDS FOR:

- **A** CCOUNTABLE FOR MY ACTIONS
- **W** ELCOMING TO ALL
- **E** VERYONE IS VALUED
- **S** AFE AND SUPPORTIVE
- **O** PEN AND HONEST
- **M** AKE SMART CHOICES
- **E** XCITED FOR FUN

In 2022, supporters raised

$47,761

for the Club through Team Awesome.

OUR ANGEL OF TAHOE

Lisa Maloff was not only the greatest philanthropist that Tahoe has ever known, but she was also a role model and inspiration to the youth of our community. The Club is proud to be a small part of her story.

Lisa was just 17 years old when she came to the USA as a refugee from the Second World War. Having survived a concentration camp that took the life of her mother, Lisa emigrated along with surviving family members and made a new home in California. Not soon after her arrival she met her future husband Robert Maloff and after studying in LA, they moved up to Tahoe. Good timing, good fortune, and a lot of hard work enabled Lisa and Robert to lead successful lives, which they in turn shared with others.

Lisa was first introduced to the Club when the wonderful Dr. Dave Borges let Ricky, Lisa's assistant and friend, know that the Club needed to find a new home. The idea of the building was pitched to Ricky and he was confident Lisa would want to help. However, shortly after, the Club lost a vehicle in a car accident and put out a request for someone to donate or sell at a discounted price a replacement. Two days later, Ricky presented the then President Jeff Tillman with a check for $45,000 for a new vehicle.

Naturally, the Club then purchased two secondhand vehicles, and held a ribbon cutting which Lisa attended. So impressed was Lisa by the Club members and how excited the children were for their new vehicles, that she then offered to host a summer party for them. Bounce houses, magicians and pizza then led to the incredible donation of $3.5 million and the spark that resulted in the Angel of Tahoe building.

Lisa was able to attend the ground breaking for the building in 2020 but was too frail to make the opening in 2022. Instead, she was represented by Ricky Reich, who has become a firm friend and supporter of the Club. Ricky shared that Lisa joked that she wanted to die broke. In the latter part of her life, she donated in excess of $40 million just here in South Lake Tahoe. Her legacy is felt and seen throughout the community, from Lake Tahoe Community College, to Barton Health, to the South Lake Tahoe Police Department, and the Tahoe Women's Community Fund. Lisa never turned away any Club requests and her last gift was to pay for the Club's annual summer party - now held annually in her honor.

The Angel of Tahoe was the name given to Lisa for her incredible generosity, and the Club is proud to now bear that name on our building. So that Tahoe and our members never forget the generosity, hard work and kindness of someone who once lost everything, but rose to find happiness and fortune and shared it with our community.

REST IN PEACE LISA, AND THANK YOU.
